VET ON CALL: RAND-EN-DAL ANIMAL HOSPITAL: 51 Cecil Knight Road, Rand-en-Dal, 011 660 3110

DEFINITION OF THE STAKES:

1. **SA-VJP (Youth Hunting Test)** is for dogs from six (6) months not exceeding eighteen (18) months of age, dating from and inclusive of the date of its birth on the first day of the test. It is a young dog natural ability test.
2. **SA-HZP / SA-OZP (Advanced Hunting Test / Older Dog Hunting Test)**
The priority of the S-HZP is the determination of the development of the natural abilities of the young dog in view of its suitability and future use as a Versatile Gundog. The test is for Pointing Breeds under 2 years of age without restriction as to previous performance.
The SA-HZP was developed to evaluate the natural abilities of a young dog, especially order to identify the best dogs for breeding and rate the breeding quality of their parents. For this reason, the test is open to dogs up to an age of two (2) years.
If dogs due to unforeseen circumstances can't be tested before turning two (2) years, they are allowed to run the test to a maximum age of six (6) years. In that case the test will be named SA-OZP (Older Dog Hunting Test)
Although older dogs can be tested for the sake of breeding excellence and comparability, every effort should be made to test the young dog, before it turns two (2) years.

LIABILITY:

The Committee will exercise all reasonable care in conducting the trials, but it must be clearly understood that, due to the nature of the sport, competitors, spectators and officials are invited to enter at their own risk and in so doing absolve the Club, Committee and Landowners from any claim whatsoever arising from loss or damage by, or to, any person or property during the course of the trials.

Please note that in terms of Regulation 5.9 of Schedule 3 of the KUSA Constitution, as applied through Schedule 5C(5) Gundog Hunting Tests, the following notice to exhibitors is a requirement of the KUSA public liability insurance:

"All Exhibitors/Handlers are personally liable for any claims which may be made in respect of injuries which may arise or be caused by their dog/s."
